

Zoom Lesson Directions

Please download the latest version of Zoom to your LAPTOP (Version 5.6.7).

Once downloaded, please change the following audio settings:

- You get to the audio settings in the bottom left, by clicking the up arrow on the mute button.
- Make sure Microphone and Speaker setting are set to highest quality equipment available to you (computer and or bluetooth speaker/computer speaker, and high quality Mic)
- Follow the pictures below to ensure the best settings for ZOOM lessons:
 - Make sure Speaker is set to the best available speaker.
 - Make sure the Microphone is set to the best available microphone (USB if using external).
 - Do not check to automatically adjust microphone volume, volume should be set where it is not maxing out.
 - Suppress background noise set to auto
 - Check Show in-meeting option to enable “original sound”
 - Check echo cancellation
 - Check Stereo Audio
- In the top left hand corner you will need to click “ Original Sound” every lesson. It will say “Original Sound: ON” when on.
